Note: This sample MOU was adapted from an existing MOU in which the YouthBuild program and the local American Job Center had an existing relationship. Your current partnership may be at a different stage, so this sample is demonstrating one approach to the required partnership. This is only an illustrative example, and local MOUs may vary greatly from this. Strong MOUs will not just be between the AJC and the YouthBuild program but should include all partner programs in the same MOU with identified agreements between all parties.
