Apprenticeship Resource Page

In order to successfully transition participants into a registered apprenticeship career pathway, YouthBuild grantees must educate themselves on how to develop and grow partnerships with offices of apprenticeship and apprenticeship sponsors. Below are resources to help grantees strengthen their apprenticeship career pathways for YouthBuild participants.

**Youth Apprenticeship**
- Registered Apprenticeship Toolkit
- Youth Apprenticeship Resource Page
- Apprenticeship Guide
- Youth Apprenticeship in America Today: Connecting High School Students to Apprenticeship
- Building Registered Apprenticeship Opportunities for Out-of-School Youth

**General Apprenticeship Resources**
- Voices of Experience: Video on Advancing Apprenticeship as a Workforce Solution
- Supporting Community College Delivery of Apprenticeships
- Resources to Assist Apprenticeship Programs
- Resources to Support Work-Based Learning
- Building Registered Apprenticeship Programs

**Webinars**
- Leveraging Relationships with Offices of Apprenticeship to Promote Apprenticeship Pathways
- Engaging Employers to Support Work-Based Learning as a Strategy to Diversify the Talent Pipeline
- ApprenticeshipUSA Online Toolkit: A New Tool to Advance Apprenticeship Under WIOA
- Building Registered Apprenticeship Opportunities for Out-of-School Youth

**Partnerships**
- Outreach to Business on Apprenticeship
- Apprentice Partnership Models in Action
- Promising Practices from the Atlanta Apprenticeship Pilot and Los Angeles Collaborative
- Apprenticeship Business Engagement Tools
- Atlanta Partnership Development Update: YouthBuild and Apprenticeship Sponsors in Construction

**Websites**
- National Apprenticeship Week, November 11-17, 2019
- Center for Apprenticeship & Work-Based Learning
- American Institute for Innovative Apprenticeship

**Construction Plus**
- Construction Plus Framework for a Quality Pre-Apprenticeship Experience
- Construction Plus Promising Practices

**Industry-Specific Apprenticeship**
- Apprenticeship: Industry-Specific Resource Pages
